Memory training
No training

"With the help of the memory technique **memory palace**, I have simply become better at remembering (somewhat expected and quite obvious) but I have also found it to be more fun.

The boring words on paper instead become vivid images and actions in my memory palace. It almost becomes like a story where I can show people around my palace.

Therefore, I easily remember more."

(student evaluation, 2020)

Projects

- Nobel prize laureates
- All bone and muscles(latin)
- Criminal code
- 2000 most common words in German
- 5000 decimals of Pi
- Shakespeare monologues
- Periodic table
- One hour speech
